A LETTER FROM THE CHAIRMAN

Welcome to Pewsey Carnival 2026! This will be Pewsey Carnival's 128th year- a fantastic achievement for a village to maintain such a wonderful spectacle!

It is even more amazing this year as we have seen recently that Carnivals are on the decline, mainly due to financial costs spiralling and added regulations. We've seen local Carnivals cancelled and some that are still continuing this year, but unsure if they will continue next year.

We are thankfully still going strong! Cossor's Shop is a huge contributor that gives our Carnival the financial injection and stability that is sadly lacking with many others. The volunteers at Cossor's help all year round and we are so thankful for their time and efforts.

In addition, we still hold monthly bingo's and have events throughout the year to help fund our main two events, The Wheelbeero Event and

Illuminated Procession which we are proud to be the oldest in Wiltshire!

In the year, we were pleased to have some new events- Chris Giddings Art Show was very well attended and enjoyed by all as was our other new additions such as Childrens Colour Run and Oktoberfest which will be returning this year.

At this point I must thank all our volunteers, float builders and everyone who supports the events. Without you all we would not be able to continue to provide a Carnival that we are all so proud of and keep the Spirit of Carnival alive.

If you can spare some time (whether it's lending a hand before or during our events), please email volunteering@pewsey-carnival.org.uk for more information.

Thank you for your support and let's make Pewsey Carnival 2026 the best one yet!

Have a wonderful carnival!

PEWSEY CARNIVAL

THE CHARITIES

Behind all the hard work and fun, Pewsey Carnival has always raised money for local charities. 128 years ago, at the first Carnival, funds were raised for Savernake Hospital.

Wiltshire and Bath Air Ambulance provide critical medical care by land and air, across Wiltshire, Bath and surrounding areas. Their aim is to give people the very best chance of survival, and that's why their medical expertise and kit is of the highest standard. Their paramedics and doctors are highly trained in critical care and supported by specialist medical equipment, enabling them to provide leading edge care in extreme, often life-threatening situations.

From the charity's airbase in Semington, their helicopter can reach anywhere in Wiltshire within 11 minutes and be in the centre of Bath in just four minutes. As a charity, they can't do this vital work without the support of our local communities.

Proudly supporting
Prospect Hospice
together making every day count

Registered charity number: 280093

Prospect Hospice provides specialist palliative care for people living with terminal or life-limiting illnesses in a community of more than 330,000 people in Swindon, Marlborough and north east Wiltshire.

They care for patients and their families, providing physical, emotional, social, psychological and spiritual support, and ensuring they have timely access to skilled, compassionate and sensitive care in a place of their choice.

Prospect Hospice's services are free of charge to those who need their care but will cost just under £10 million to run in 2026/27, with just a small % coming from government funding, they must rely on the generosity of local community for the majority of running costs.

PEWSEY CARNIVAL

THE CHARITIES

Behind all the hard work and fun, Pewsey Carnival has always raised money for local charities. 128 years ago, at the first Carnival, funds were raised for Savernake Hospital.

Julia's House is not a typical children's hospice. They provide practical and emotional support for families caring for a child with a life-limiting or life-threatening condition, providing frequent and regular support in their own homes, in the community or at their hospice in Devizes.

For many parents, going anywhere can be an ordeal. Some children have such complex needs, they cannot travel without an extra person in the car to keep them safe and every journey involves transporting heavy medical equipment. Imagine having care that comes to you, that arrives on the doorstep so you can take a break. Parents can become so worn down with the worry and physical effort of caring that being able to go out for a few hours, or even just go upstairs for a sleep, can be the difference between a family coping or hitting crisis point.

Beyond Dementia (formerly Alzheimer's Support) has supported people living with dementia and family carers across Wiltshire for more than three decades.

As a local charity, we are rooted in the communities we serve. What we do is quite simple – we support people living with dementia in their own homes and communities, helping them to maintain as much independence and control over their lives as possible.

We see the person, not the dementia, and create and run services that enable people to be themselves – from day clubs and one-to-one support to dementia advice, community groups, training and education. We create spaces where choice and dignity are preserved, and where the time we spend together is creative, productive and meaningful.

**WILTSHIRE'S OLDEST

ORIGINATED IN 1898**

Pewsey held its first Carnival in 1898 — inspired by local bike shop owner George Goddard, who'd seen a bicycle parade in France. Villagers rode through the streets collecting funds for Savernake Hospital.

To ensure the safety of the crowd and participants, we require the following:

Illuminated Procession: 80 + volunteers**
